KICKOFF OLYMPIC CAMP  
IN MISSOULA

MISSOULA--

The U.S. Olympic Training Camp for the 5,000 and 10,000 meters and marathon will get underway Friday with a press conference at the University of Montana.

University of Montana Track Coach and Camp Director Harley Lewis said he and his four member coaching staff will be at the conference to discuss the athletes and training involved. The coaches are Buddy Edelen, Adams State; Stan Imhulse, Miami University; Art Hutton, Central Washington and Paul T. Hoss, Columbia University.

Lewis said 24 of the nation's top distance men will participate in the three week camp that begins Sunday (July 11) and conclude on August 1.

The Montana coach said the names of the participants will be announced later this week.

The camp is funded by the U.S. Olympic Committee and is one of seven occurring this summer throughout the nation.
